6. Points will be awarded based on the rider's country for all classes. However if both the owner and the rider are from two different European Countries, both National Anthems can be played during the awards ceremony.
7. Special awards will be presented to the highest placing team.

### **YOUTH TEAM TOURNAMENT**

1. All of the Youth entries in the European Championship classes and any NRHA ancillary youth classes that are running concurrent with the EAC Youth classes will be automatically entered into the Youth Team Tournament.
2. Youth will be separated into two categories: Youth 13 & Under and Youth 14-18.
3. On each team there will be four riders, two (2) Youth 13 & Under and two (2) Youth 14-18.

5. These teams will be posted either online, on the show grounds, or both so they are visible for all to see.
6. If there are more riders in one division than the other, the youth will be redrawn in the division that has less riders to make up the teams for the division with more riders, and will therefore be a part of multiple teams. For Example if there are twelve 13 & Under riders and only ten 14-18, then two 14-18 riders will be redrawn at random to fill the team for the additional 13 & Under riders, and these two 14-18 riders will have their score count for two teams.
7. The lowest score in each team will be dropped.
8. Scratches will be considered the dropped score.
9. An awards ceremony with all youth present (if possible) will follow the completion of the Youth Classes and individual Youth awards ceremonies.
