 - NRHA Competition License for the horse (View **Transfers and FAQs** for more information).
 - NRHA Affiliate Designation – this is only required if you want to qualify for the Regional Affiliate Finals.

- **How long will it take NRHA to process my membership application?**
 - If all paperwork is submitted correctly, NRHA should process your membership application no later than 2 weeks after receiving it in the office. Missing or incomplete information will delay this process. If it takes NRHA longer than 2 weeks to process properly submitted paperwork, then they will send you a free confirmation of the membership upon request (the usual confirmation fee is \$25).
 - If you need the membership card more quickly you can submit it at a show or request a rush through the NRHA office. You can also do your membership online and receive a confirmation immediately.
- **Can a membership application be submitted at a show?**
 - Yes, paperwork can be submitted at any NRHA approved show. The Show Secretary will submit the paperwork to NRHA with the show results.
 - Be sure you get a Temporary Membership Card from the Show Secretary as you will need this if you go to another show prior to NRHA receiving and processing your paperwork.
- **I'm a Non Pro, do I have to fill out more than one form?**
 - As a Non Pro you can use either the Non Pro Membership form or the other form with the applicable membership type (General, Youth, Associate). You do not need to fill out multiple membership applications.
 - If you are a NEW Non Pro or if your membership lapsed for more than one year, you MUST fill out the Non Pro Declaration and pay the \$25 filing fee. Non Pro status will NOT be granted until we have a current form on file.
 - If you were a Non Pro member the previous year, you do not need to fill out the Non Pro Declaration.
- **I lost my membership card, how do I get a new one?**
 - Call or email the NRHA office and they will mail a new card to you.
 - If you need the card for a show before the new card arrives you can get an Official Confirmation for \$25.
- **My name has changed, how do I get a new card?**
 - If you have already renewed your membership, just call or email the office and we will update our database and mail you a new membership card.
 - If you are renewing your membership, be sure to include your membership number on the application and make a note that there is a name change.
 - If your new membership card has a different number, please call the office! We missed the name change and need to get that corrected as soon as possible.
- **When will I start getting the NRHA Reiner magazine?**
 - Your first *NRHA Reiner* issue will be mailed approximately 6 – 8 weeks following receipt of your application.
 - For those who get the *NRHA Reiner* with their membership (U.S. General members; one per household), the *Reiner* subscription ends when your membership ends (December 31). So be sure to renew early to avoid missing any issues; past issues are not retroactive.
 - Subscriptions paid in addition to the membership will last 12 months.
 - Current and past issues of the NRHA Reiner are available in digital form at nrha.com.

- **How do I know what classes I can show in?**
 - NRHA eligibility for the various classes and divisions is updated at the end of each show year for both horses and riders and remains in force for the balance of the current show year. You can check current eligibility of individual horses (Novice class eligibility) and riders (Division eligibility) by logging into the Members Only section of the site or by calling the office.
 - Eligibility requirements for the different classes are outlined in the NRHA Handbook and at nrha.com.
